8/16/01**SUPPLEMENTAL RESPONSE TO ELECTION OF SPECIES REQUIREMENT**ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

In further response to the Action mailed May 17, 2001, and as a result of the telephone interview with the Examiner on August 9, 2001, Applicants note that the Examiner considers claim 8, which was previously noted to be generic, to be part of a non-elected species (Species Ib). Applicants therefore understand that claims 1-3, 9, 12-18, 21-25 and 32-34 are considered to be generic by the Examiner, and that upon allowance of each generic claim, then those non-elected claims which include the limitations of the allowed generic claim, will be considered.

In a previous response, filed June 17, 2001, Applicants provisionally elected to prosecute the claims of species Ia, IIb, IIIa, IVb, Vb and VIb as follows:

Ia (claims 4 and 5)

IIb (claim 11)

IIIa (claim 19)

IVb (claim 27)

Vb (claim 29)

VIb (claim 31)
